

Progress Report

- A report on whether the recommendations of the CA Water Plan are being implemented.
- To be released in the interim years between Water Plan Updates (12/12).

Approach

- Chapter 7 of Volume 1 is the Implementation Plan for the 2009 Water Plan Update.
- 13 Objectives: 115+ related actions
 - By State and local agencies
 - Derived from public input, companion plans, recent legislation
 - Varying timelines and specificity
- Ask Caucuses to report on progress of relevant Objectives and actions.

13 Objectives

1. Expand Integrated Regional Water Management
2. Use and Reuse Water More Efficiently
3. **Expand Conjunctive Management of Multiple Supplies**
4. **Protect Surface Water and Groundwater Quality**
5. Expand Environmental Stewardship
6. Practice Integrated Flood Management
7. Manage a Sustainable California Delta
8. Prepare Prevention, Response, and Recovery Plans
9. Reduce Energy Consumption of Water Systems and Uses
10. Improve Data and Analysis for Decision-making
11. Invest in New Water Technology
12. Improve Tribal Water and Natural Resources
13. Ensure Equitable Distribution of Benefits

Next Steps

- DWR staff will fill out Progress Report form
- Will give groundwater caucus a chance to review
 - Phone call or internet meeting
- DWR will bring completed Progress Report forms to the Plenary in September
- Progress Report released in December 2012
